

# **DESIGN**

[TASK ID - 0001D001]

DESIGN A LOGO FOR YOUR YOUTUBE CHANNEL

## **DESCRIPTION**

• For this task, you have to make a logo for your YouTube channel. You can use any graphic designing software which you like. Finally, you have to save your project in Google Drive and send us a link of sharing through an email[bits.acicts@gmail.com] using form in main website. And also, you have to give the links for your GitHub account and YouTube channel.

### **STEPS**

- Make an account on Slack if you haven't. [https://slack.com/]
- Make an account on GitHub if you haven't. [https://qithub.com/]
- Visit YouTube [https://www.youtube.com/]
- Sign-in to YouTube.
- Design a logo for your channel.

#### **RESOURCES**

- What are the best software for graphic designing?
- How to make an account on GitHub?
- How to save files on Google Drive?
- How to send us project?
